

KATHERINE J. ESPIN

FILMMAKER | DIRECTOR | EDITOR

A filmmaker to recognize. With her recent film 'Pure Modern Love' released in 2022, coming out of an award winning year in film festivals, she is constantly working on multiple projects. Her vision to make stories come to life has a unique and intimate angle. She enjoys venturing into different genres and loves to add a twist. Her sweet, outgoing and hardworking drive inspires those around her to focus on the story that helps make these wonderful projects come to life.

WORK EXPERIENCE

DIRECTOR

2020 - 2022

Freelance | Momus Media Productions

- Directed various short film projects, documentary, YouTube channel documentaries, reel scenes, monologues, and theatrical trailers
- Participated in the complete filmmaking process from the pre-production to the post-production
- Worked close with the producers and executive producers to make their vision come to life
- Guided and advised the actors to explore and find natural ways to reach their full potential in character performances
- Kept clear and professional communication with members of film crew

EDITOR
